

International calls

If you have a business subscription with TDC Erhverv, you will automatically get FlexUdland Basis (flex international basic) which ensures you fair prices for international calls.

FlexUdland Basis

FlexUdland Basis divides the world into zones to ensure transparent prices.

Calling landline and mobile phones is charged the same.

Add-ons:

FlexUdland Platin (flex international platinum)

If you want to make international calls even cheaper, you can buy FlexUdland Platin.

* All prices are stated in Danish kroner (DKK), exclusive of VAT. The charging interval in the Nordic countries and the EU is per second. However, the first 30 seconds will always be charged. The charging interval for all other zones is per minute. There is no call set-up charge in the Nordic countries and the EU. In the rest of the world, there is a call set-up charge of DKK 0.35 per call. Calls received are charged per second in the Nordic countries and EU zones. In the rest of the world, calls received are charged per minute.

All prices are exclusive of VAT.

See the applicable country zones on the next page
